**CLASS DESCRIPTION:** This 8-week workshop is for solo performers who have a written story in mind, whether previously performed or brand new. Designed to deepen the performer's relationship to the piece, the workshop will allow us to explore various aspects of the story using improvisation, movement, storyboard and character work. Each evening will consist of structured group and partner exercises, followed by individual time to share works-in-progress. Through our work together, participants will engage new artistic perspectives that inform and shape the story's development. The workshop will culminate in a final performance on April 15th. Created and facilitated by Rebecca Fisher and Bridget Frederick.
